welcome to this song,  
listen close 'cause it's for you  
i've been thinking of  
and there is nothing i can do.  
so i smile a loser's smile,  
put my eyes down for a while,  
i've been soft and i've been weak  
move my hands and start to speak -  
for the first time.

in the dark again, forever caught within a lie  
and not as safe as when a cloudy day would let me die,  
so i smile a loser's smile,  
put my eyes down for a while,  
i've been soft and i've been weak  
move my hands and start to speak:  
"you're a favourite girl..." |||

a strange stain - an eternal child,  
never sure - always shy:  
i'm going to take you for a ride  
through all the gardens where i hide  
far away from the crowd, always silent  
never loud, never able to be proud  
never allowed to let it out:  
a million thoughts within a year,  
full of anger - full of fear,  
i want to see what i have done for you..
