Why am I here alone - no one around been shattered to  
the bone - underground what am I waiting for - very  
strange to reach another shore - nothingç£— ever  
changed this ainç£~ no state of mind when everything  
gets red Iç£Ž trying to be kind - sort of different head  
can you hear me falling down can you hear me falling  
down can you hear me falling down can you hear me  
why is it up to me is it always falling to pieces instead a  
hundred memories - forget Iç£>e been through which  
voice was loud enough to push my thoughts Iç£Ž not  
that rough - quickly caught this ainç£~ no state of mind  
when everything gets red Iç£Ž trying to be kind - sort of  
different head can you hear me falling down can you  
hear me falling down can you hear me falling down can  
you hear me why is it up to me why is it always up to me
