I never wanted this grow up. become what they call a  
m.a.n. chose and decide. so I started out playing  
games with both, me and them. æ... cause  
everyone due to keep up with the others. due to  
find a part to play within that huge comedy or drama.  
whatever. I played them all for years, but all of a  
sudden, everything changed and I began to fall. the  
hard and endless fall of someone who had the  
pleasure to meet self-determinations younger  
brothers. ahm, let me say self-deception and self-  
destruction. I got lost after not knowing, after not  
knowing who I ought to be. I left it all behind, moved  
houses, changed the city and fell asleep for one and a  
half years
