"Tell Me Why Pourquoi"

you're extraordinary
none of the fashion girls
your second skin's so skinny it almost hurts
it looks like you were floating when you try to take a
walk
you always seem to listen everytime we try to talk
if there's nothing else to stop us on our way way way
tell me why pourquoi ne pouvons-nous jamais etre
aimes?
I think I like you
but not enough
we're individuals and very hard to touch
you suffer more than others from what we're meant to
be
none of those sunshine-lovers like on tv
we're generation faith-departed
started to go down
unfinished unforeseeable upon a common ground
if there's nothing that we're not allowed to say say say
tell me why pourquoi ne pouvons-nous jamais etre
aimes?
I think I like you
but not enough
we're individuals and very hard to touch
I think I like you
I think I like you
I think I like you very much
I think I like you
I think I like you
I think I like you
but not enough
