Fire

Fire (Throw some water on me)

Fire

Fire

The way you walk and talk really sets me off to?????????

long time, yes it does

The way you squeeze and "cheese" knocks me to my
knees and I'm smokin' baby

The way you squirm and quern really wrecks my nerve,
I'm so excited child

The way you push, push, lets me know that you're
burnin'

Fire (Poor some water on me child)

Fire

Fire (Ah yes I am on...)

Fire

Got me burnin', got me burnin' (With fire)

Got me burnin', got me burnin' (Ah yes I am on...)

Fire, fire, fire, fire, burnin', burnin', baby

Fire, fire, fire, fire, fire, fire, fire, fire, fire, fire,
fire, fire, fire baby

Throw some water on me

Will you say what you've got, and girl you've got a lot,
you're really something child, yes you are

When you're hot, you're hot, you really shoot your shot,
you're down on my chart

Yo, I can tell by your gaze, you're gonna start a fire
baby, baby

I'm 'bout to choke from the smoke, gimme time on my
stove

Fire (Play on)

Fire (Put the fire, fire, fire, fire, fire)

Fire

Fire (Fire, fire)

The water boy with the bucket, if he didn't want the job,
