Driving down those city streets  
Waiting to get down  
Won't you dig your big machine  
Somewhere in this town?

Now in the parking lot garage  
You'll find the proper place  
Just follow all the written rules  
You'll fit into the space

Pull up to my bumper baby  
In your long black limosine  
Pull up to my bumper baby  
And drive it in between

Pull up to it don't drive through it  
Back it up twice now that fit's nice

Pull up to it don't drive through it  
Back it up twice now that fit's nice  
Race it, straighten it, let me lubricate it  
Back up [Incomprehensible] tire, baby

Operate around the clock  
Why don't you come in?  
Lot's of space for everyone  
Why don't you my friend?

My lines are short I fixed you up  
So won't you please come on  
Shiny sleek machine believe  
I've got to blow your horn

Pull up to my bumper baby  
In your long black limosine  
Just pull up to my bumper baby  
And drive it in between

Pull up to it don't drive through it  
Back it up twice now that fit's nice  
Race it, straighten it, let me luricate it  
Pull up to my bumper

Pull up to my bumper  
(Pull up to my bumper baby)

Pull up to my bumper  
(Pull up to my bumper baby)  
(Pull up to my bumper baby)  
(Pull up to my bumper baby)

Pull up to my bumper  
(Pull up)  
Pull up to my bumper  
(Pull up to my bumper baby)  
(Pull up)

Pull up to my bumper baby  
(Pull up to my bumper baby)  
Pull up to my bumper baby  
(Pull up)  
Pull up to my bumper baby  
(Pull up to my bumper baby)  
Pull up to my bumper
