Now's the time for all good men to get together with
one-another
We've got to iron out problems, iron out our parlours,
try to live as brothers
Try to find the peace within without stepping on one-
another
And do respect to the women of the world, remember
you all have mothers
We've got to make this land a better land than the
world in witch we live
We've got to help each man be a better man with the
kindness that we? call love?

I know we can make it (I know that we can), I know darn
well (We can work it out)
Yes we can, I know we can-can, yes we can-can, why
can't we if we want it, yes we can-can
I know we can make it work, I know we can make it if we
try
Yes we can, I know we can-can, yes we can (It ain't cost
you none), yes we can, I know we can-can

And we've got to take care of the children; they're the
children of the world
'Cause they are our strongest hope for the future, the
little bitty boys and girls
Try to find the peace within without stepping on one-
another
And do respect to the women of the world, remember
you all have mothers
We've got to make this land a better land than the
world in witch we live
We've got to help each man be a better man with the
kindness that we? call love?

I know we can make it, I know darn well, we can work it
out
Yes we can, I know we can-can, yes we can-can, why
can't we if we want it, yes we can-can
I know we can make it work, I know we can make it if we
try
Rub-a-dub boy, rub-a-dub girl, you groove to the

(Sometimes it's hard, so...)
I know we can make it (I know we can) (So...), I know
darn well, we can work it out (Work it out) (So...)
Yes we can-can, yes we can-can, why can't we if want it,
we'd be together, we can work it out (???????????)
I know we can make it (I know we can); I know darn well,
we can work it out
Yep, yep, yep freaky,? of the come on, rock to the chic?
