Favoured one..i»i  
fade on, see them run!  
Journey 'round..  
heave hooo, all night long!  
You've been afraid, for far too long  
I've been enraged in my song  
I've been a rose in my rage  
I've been a rose  
I've been a rose  
I've been a rose  
Canaan ran.. since her desert song  
Canaan ran.. rides on the bird song  
You've been afraid, for far too long  
I've been enraged in my songs  
I've been a rose  
I've been enraged  
I've been a rose  
I've been enraged  
Ohhhhhhhhhh.....
