John Francis Dooley  
wipe the sleep from your eyes  
and embrace the light.  
You have slept now  
for a thousand years  
beneath starless nights.  
And now its time for you  
to renounce the old ways  
and see a new dawn rise.  
In former days  
the masks were raised  
when the god came down  
from off the mountain,  
and a sacrifice was made  
for they knew the day of wrath  
was fast apporaching.  
Just like yesterday, before the war  
John Francis Dooley  
the scapegoat has run  
all our sins are disowned,  
and now it's time for you  
to take off thy mask  
and cross the Rubicon.  
If you and I were one  
within the eyes of our designs  
it would still not change  
the fact of our leaving.  
For tonight we must leave  
with the first gentle breeze  
for the Isles of Ken we are assailing  
Just like Ulyses, on an open sea.  
On an oddysey of self discovery.
