'Ll be right here for a little while,  
Captive to the kiss of the bathroom tile.  
It doesn't even cramp my style.  
I'm back at it again,  
Over and over and over and over again...

(Until I'm dead)  
As bad as I can be...  
(Until I'm dead)  
There's nothing worse than you and me...  
Did you remember to put one in the chamber?  
Put it to the temple of the one who gave us up.

I'll most likely end up in hell,  
But I'm not going alone (fuck no! )  
I'm bringing every fucking one I know.  
It's time to go...

(Let's fucking go)  
As bad as I can be...  
(Let's fucking go)  
There's nothing worse than you and me...  
Did you remember to put one in the chamber?  
Put it to the temple of the one who gave us up.

We'll end up in court.  
We'll be our own defense.  
The people of CT. vS.  
Meanwhile in New York,  
The prosecution rests.  
They couldn't dig up anything on us.  
Our plea, insanity.
