

Small Town Sleeper "Again"

The clock is tick...tick...tick...tick...
30 minutes just to make it
Your feeling sick...sick...sick...sick...
It never seems that it's worth it
When your paycheck
Is for making it through another 40hrs
You make excuses
Just for making due
With always waking up to...

Six 0'clock
You roll out of your bed
7:10
They call you mr. sunshine man
Two 0'clock
You're feeling intellectual
4:15 you're always married
Again...

You're saying if...if...if...if...
You had a chance
You wouldn't waste it
You need time
Lots of time
Now walk the line
That you find
Well if I go a little crazy
Better help me through
You better hope that you don't...
Wake up to...

Six 0'clock
You roll out of your bed
7:10
They call you mr. sunshine man
Two 0'clock
You're feeling intellectual
4:15 you're always married
Again...

You kill the chill
With another coffee pot

Stop to analyze every thought
Like maybe you can make it
Like maybe you wont break if
Like maybe you wont break when
Six 0'clock
You roll out of your bed
7:10
They call you mr. sunshine man
Two 0'clock
You're feeling intellectual
4:15 you're always married
Again...
