I love you
(I love you)
But I hate the intelligence
Of your mouth
I need you
(I need you)
But I don't need to be told
Get on your knees
And beg me please

Just...
Let Me Go
Let me be
Set me Free
Now
Oh, that would be lovely
Let me know
That you'll be
What I need
Now
Oh, that would be lovely

And I
I will lift you up
If you don't let me down
I just need your trust
And I need it...
Now...

I know you
(I know you)
But I can't place
Your face right now
I want to
But there's no time to figure...

Out, out
Runnin' like a renegade
Too late
Because there's no time to hesitate
Get straight
There's only one thing I can say

NowÂ...

JustÂ...

Let Me Go

Let me be

Set me Free

Now

Oh, that would be lovely

Let me know

That youÂ'll be

What I need

Now

Oh, that would be lovely

And I

I will lift you up

If you donÂ't let me down

I just need your trust

And I need itÂ...

NowÂ...

I need you..

NowÂ...

I want youÂ...

Can I make it to the top

Will I know when I should stop

I donÂ't want to

Everybody says it's pretend

If they know what I have got

I will never give it up

I will always want you

And everybody knows

JustÂ...

Let Me Go

Let me be

Set me Free

Now

Oh, that would be lovely

Let me know

That youÂ'll be

What I need

Now

Oh, that would be lovely

And I

I will lift you up

If you donÂ't let me down

I just need your trust

And I need itÂ...

Let Me GoÂ...
Let Me GoÂ...
Let me be
Set me Free
Oh that would be lovely
Oh that would be lovely
