Covered it up with a question mark
Covered it with a crowd
Keeping myself among the proud
I don't believe anyone could love
Anyone less if they tried
I smiled at you and died inside, inside
I heard the voice i knew
Covered it over with thoughts of you and i'll

Never keep it silent anymore,
Silent anymore, anymore
Silently think of a prayer for me
Voice it inside your head
Maybe i need to hear it said
Sometimes the word condemns the thought
So they're held a lot
Silence is golden when i'm not , i'm not
Whether it's God or it's you
I need to speak and be spoken to
I can't stand this silence anymore,
Silence anymore, anymore

I can't stand it anymore, silence anymore
No not anymore, anymore
