I have beliefs that I only call out when it's convenient  
for me.  
It seems like I change my mind more than my clothes.  
And my ideas can be just as pungent.  
But I don't want to turn this record into a laundry mat.  
I just want to know

[Chorus:]

Is it possible to trade in a silver tongue for a heart of  
gold?  
Does anything ever really work out?

I have regrets that I only express when it can make me  
look best.  
Half the day spent wondering where I went wrong.  
The other half wondering where I went so right to have  
this many great things in my life.  
I just want to know.

[Chorus]

It's funny the problems that I have the most have no  
cause to the effect.  
And I can't figure out the reason I'm breathing.  
It's funny the problems that I had the most had no  
cause to the effect.  
I finally figured out the reason I'm breathing.

[Chorus]

I want you to know.  
It is possible to trade in a silver tongue for a heart of  
gold.
