Love if you're reading this, than I am already gone.
Since I've fallen into grey, don't hesitate to take
another love.
Don't want you to be alone, I didn't want to go.

Know that you have been, my salvation,
You stayed patient while my life was changing.

[Chorus:]

When the sheets have cooled down take them off and
fold them.
Then give away our wedding bed.
There's no sense giving up while you still have time to
shine.
Don't mourn my death, celebrate my life.

Bury me in what I was born with, except the ring around
my finger.
It's up to you if you want to bury yours too. I won't hold
that against you.

Know that you have been, my salvation,
You stayed patient while my life was changing.

[Chorus]
