You won't release
But you relive each moment,
Now he's gone, and he's
Just gonna keep on going
But I'm here and I'm staying,
I'm hoping and praying
That you leave that world behind,
Cuz I want you to be all mine,

Don't look back,
The past is just a closing door,
And you don't need to go there anymore,
What we have,
Is deep and wide as your brown eyes,
And I can see forever in your smile,
Dont look back.

We've all been there
When heartbreak's got your back against the wall,
It's unfair,
But love is what we live for
And I'm here and I'm prayin'
You'll see what I'm saying,
When you leave that world behind,
Cuz I want you to be all mine,

Don't look back,
The past is just a closing door,
And you don't need to go there anymore,
What we have,
Is deep and wide as your brown eyes,
And I can see forever in your smile,
Dont look back.

Don't look, Don't look back.

ooh yeah
This I know for sure,
ooh yeah
The past is just a closing door,
oooh

Don't look back
(Come on!)
The past is just a closing door,
And you don't need to go there anymore,
What we have,
Is deep and wide as your brown eyes,
And I can see forever in your smile,
Dont look back.
