(Verse 1)

Every night I hear you cry
Don't you wanna tell me why
I'm afraid of up without you
Many misunderstand but when I reach and touch your
hand
I can't feel you anymore

(Bridge)

You see my million miles away from me tonight
Baby but I'm right beside you

(Chorus)

Talk to me
That's what my love is here for
Can't stand to see those tears in your eyes
I'd do anything that takes to make it right
Baby
Talk to me
Even if it's just to say goodbye

(Verse 2)

Whenever so hard to say
Whatever makes you turn away
Can't be any worse than I imagine
You gotta tell me what you need from me
So hold you close so set you free
Coz' I just wanna see you smile again

(Bridge)

But I can't help you if you keep me in the dark
Open up your breaking heart and

(Chorus)

Talk to me

That's what my love is here for
Can't stand to see those tears in your eyes
I'd do anything that takes to make it right
Baby
Talk to me
Even if it's just to say goodbye

(Bridge)

I don't know how to ease the pain you're going through
Baby tell me what to do

(Chorus)

Talk to me
That's what my love is here for
Can't stand to see those tears in your eyes
I'd do anything that takes to make it right
Should I hold you close so set you free to fly
Baby
Talk to me
Even if it's just to say goodbye
