Well the life and the times  
And the reasons behind  
All the things that we do  
Have occurred in my mind  
So pack your bags  
Leave your baggage behind  
It's too late in the day  
To want to save me  
It's too late in the season  
To brandish your gun  
Let em hang  
Arms towards the sky  
Bark and bite  
Through your sights  
In the name of lad liberty  
It was a sunday bloody sunday  
And you might as well  
If we die tomorrow  
Then I'll see you in hell  
Who's the terrorist now  
Well the strife and the crimes  
And the sign of the times  
Of a war that's deemed wise  
Through american eyes  
A foundation of lies  
And we can't hear their cries  
'Cause it's out of our sights  
And it is out of our minds
