Tom: Another op'nin, another show

Sam: (yeahhhhhh)

Tom: In Philly boston (both): or baltimore, a chance for
stage folks to say hellooo

Another op'nin of another show

(music starts)

Another job that you hope at last, will make your future
forget your past

Another pain where the ulcers grow

Another op'nin of another show

Four weeks you rehearse and rehearse, three weeks
and it couldn't be worse

One week will it ever be right,

Then out of the haaaaaat

OUT OF THE HAT,

It's that big first night!!!!!!,

The overture is about to start

You cross your fingers and hold your heart

It's curtain time and away we gooooo

Another op'nin, Another op'nin OF ANOTHER SHOW!!!!!!
