Stop me on the corner
I swear you hit me like a vision
I, I, I wasn't expecting
But who am I to tell fate where it's supposed to go with
it
Don't you blink, you might miss it
See we got a right to just love it or leave it
You find it and keep it
'Cause it ain't every day you get the chance to say
Oh, this is how it starts, lighting strikes the heart
It goes off like a gun, brighter than the sun
Oh, it could be the stars falling from the sky
Shining how we want, brighter than the sun
Everything is like a white out 'cause we shook-a-shook-
a shine down
Even when the, when the light's out but I can see you
glow
Got my head up in the rafters, got me happy ever after
Never felt this way before, ain't felt this way before
Oh, this is how it starts, lighting strikes the heart
It goes off like a gun, brighter than the sun
Oh, this is how it starts, lighting strikes the heart
It goes off like a gun, brighter than the sun
Oh, this is how it starts, lighting strikes the heart
It goes off like a gun, brighter than the sun
Oh, this is how it starts, lighting strikes the heart
It goes off like a gun, brighter than the sun
