Dance To The Music
Dance To The Music
Dance To The Music
Dance To The Music
All we need is a drummer for
People who only need a beat. Yeah
I'm gonna add a little guitar
And make it easy to move your feet
I'm gonna add some bottom so that the
Dancers just wont hide
You might like to hear my organ
I said right, oh sell it right
If I could hear the horns blow
Listen to the voice, singing
Dance To The Music
Dance To The Music
Dance To The Music
Dance To The Music
