(Ivy)

Put down the playbook

cuz the things I want to show you cant be written down

Let my lips do the teaching

(Michael)

Turn off the camera

kick your shoes off for this scene

you should be sitting down

yes sitting close enough for reaching

(Ivy)

Turn down the lamp for the last page has been turned

(Michael)

when the dawns breaking through

(Ivy)

we can stop and review

(Together)

all the lessons you have learned

Cuz history is made at night

so close the books turn off the light

and listen

let my heart be the teacher

no one here to disapprove

as we review the lessons you've been missing

let the moon be our only light

cuz history is made at night

(Michael)

I see the questions burning in your eyes

or is it just reflections

of the stars high above you

(Ivy)

I'm just a student

and i hope you wont be shy

please make corrections

yeah on the sweetest way to love you

(Michael)

Come whisper close

tell me just when to say when

(Ivy)

Then we'll sleep through the day

(Michael)

Then whenever you say

(Together)

That's when school begins again  
Cuz history is made at night  
so close the books turn off the light  
and listen  
let my heart be the teacher  
no one here to disapprove  
as we review the lessons you've been missing  
let the moon be our only light  
cuz history is made at night  
(Ivy)  
Come here  
Oh, oh, yeah someday they'll write lots of books about  
our fame and glory  
(Michael)  
but if all their reports are just movies and sports  
(Together)  
They'll be missing the whole story  
Cuz history is made at night  
so close the books turn off the light  
and listen  
let my heart be the teacher  
no one here to disapprove  
as we review the lessons you've been missing  
let the moon be our only light  
cuz history is made at night  
yes our history was made at night.....
