Karen:

Fade in on a girl
With a hunger for fame,
And a face
And a name to remember.

The past fades away,
Because as of this day
Norma Jean's gone-
She's moving on.

Her smile,
And your fantasies
Play a duet
That will make you forget
Where you are-

The music starts playing
It's the beat of her heart saying,
"Let me be your star."

Ivy:

Flash back to a girl
With a song in her heart,
As she's waiting to start
The adventure.

The fire and drive,
That make dreams come alive,
They fill her soul-
She's in control.

The drama, the laughter,
The tears just like pearls-
Well, they're all
In this girl's repertoire.

It's all for the taking,
And it's magic we'll be making-
Let me be your star.

Both:
I'll just have to forget
The hurt that came before.

Karen:
Forget what used to be.

Ivy:
The past is on the cutting room floor...

Karen:
The future is here with me.

Both:
Choose me!

Fade up on a star
With it all in her sights-
All the love, and the lights
That surround her.

Someday she'll think twice
Of the dues, and the price.

Ivy:
She'll have to pay...

Karen:
She'll have to pay...

Ivy:
But not today.

Karen:
But not today.

Both:
Then she'll do all she can
For the love of one man,
And for millions
Who look from afar.

I'm what you've been needing-
It's all here,
And my heart's pleading,
Let me be your star!
