Telephone rings
Could it be my babe
Yes it is
Another night alone
Sick and tired of this
Something's gonna have to change
Baby can't you see
What you do to me
Makes me feel like you don't care at all
Baby won't you make a little time for me
you know my loving comes for free
Baby all I ask is for your time
If just for one night
Make a little time for me

You say to me you'll treat me right
And may be guarantee
Every day will be the same
I ain't gonna be
Hanging round for you to change
Why don't you fulfill
All you say you will
Or I might as well be on my own

Baby won't you make a little time for me
you know my loving comes for free
Baby all I ask is for your time
If just for one night
Make a little time for me
Make a little time for me

Baby come to see what you do to me
Makes me feel like you don't care at all
Why don't you fulfill all you say you will
Or I might as well be on my own

Baby won't you make a little time for me
you know my loving comes for free
Baby all I ask is for your time
If just for one night
Make a little time for me
