When you walk into the room
Blood rushes through my veins
The thought of touching you
is driving me insane
Now when I see you,
I want you,
I'm losing control
I can't take this no longer, oh, no

You're my obsession
I'm going out of my mind
It's my obsession
What am I gonna find?
Obsession
My defenses are low
How far i let this obsession go

I'm imagining you now
and I can barely breath
I still smell your perfume
and it's making me feel weak
And from Moscow to Oslo
I'm search you high and low
like a hunter who just can't let go

You're my obsession
I'm going out of my mind
It's my obsession
What am I gonna find?
Obsession
My defesses are low
How far i let this obsession go

And from Moscow to Sarajevo
I'm search you high and low
'cause my obsession
just won't let go

You're my obsession
I'm going out of my mind
It's my obsession

What am I gonna find?
Obsession
My defesses alone
How far i let this obsession go
