[Karen:]

I'll sing it one last time for you  
Then we really have to go  
You've been the only thing that's right  
In all I've done  
And I can barely look at you  
But every single time I do  
I know we'll make it anywhere  
Away from here  
Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you dear  
Louder louder  
And we'll run for our lives  
I can hardly speak I understand  
Why you can't raise your voice to say  
To think I might not see those eyes  
Makes it so hard not to cry  
And as we say our long goodbye  
I nearly do  
Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you dear  
Louder louder  
And we'll run for our lives  
I can hardly speak I understand  
Why you can't raise your voice to say  
Slower slower  
We don't have time for that  
All I want's to find an easy way  
To get out of our little heads  
Have heart, my dear  
We're bound to be afraid  
Even if it's just for a few days  
Making up for all this mess  
Light up, light up  
As if you have a choice  
Even if you cannot hear my voice  
I'll be right beside you dear
