What do you do
when you've done all you can
And it seems like you can't
make it through
And what do you say
when your friends turn away
You're alone
Tell me what do you give
When you've given your all
And it seems like you can't
make it through
Well you just stand
when there's nothing left to do
you just stand
Watch the lord see you though
Yes after you've done all you can
you just stand
Tell me what do you give
when you've given your all
and it seems like you can't
make it through
Well you just stand
when there's nothing left to do
you just stand
Watch the lord see you though
Yes after you've done all you can
you just stand
You stand and be sure
and be not entangled in bondage again
Stand and endure
God has a plan
Tell me what do you do
when you've done all you can
and it seems like you can't
make it through
Through the storm
through the rain
through the hurt
and through the pain
I'll hold on
I'll be strong
God will step in

It won't be long
After you've done all you can
you just stand
