Marilyn:

Fellas

Team:

Yeah?

Marilyn:

Fellas

Team:

Is it?

Marilyn:

Hey team!

Team:

Hold the benches it's Marilyn!

Marilyn:

I just got a date

Team:

She just got a date

Marilyn:

With baseball's Joltin' Joe

Team:

That lucky so and so

Marilyn:

So run me around the bases

Put me through my paces

And teach me all the things a slugger's lover  
should know

Marilyn:

What's that there?

Team:

That's the pitcher's mound

Marilyn:

Have you ever seen a shape that is so perfectly round?

Team:

Batter up

Marilyn:

Play ball

All:

You better give it your all, cuz' all men like to play  
at

Marilyn:

The national pastime

Marilyn:

Who's that man?

Team:  
That's the first base coach  
Marilyn:  
Have you noticed that he signals every time I  
approach?  
Team:  
Kill the Ump  
Marilyn:  
Throw him out  
Team:  
Because there isn't a doubt that  
All:  
All men like to play at  
Marilyn:  
The national pastime  
Marilyn:  
When I was just a little girl  
I liked being dainty and purty  
But now that I'm giving sports a whirl,  
I find I kind of like to get dirty  
Team:  
Baby what's that there?  
Marilyn:  
That's the team bullpen  
And I like the odds I'm seeing no girls, all men!  
Team:  
Hit the deck, look alive beware the lady's line drive  
Marilyn:  
Because my skill and my passion will elevate the  
national!  
Peanuts!  
Hot dogs!  
Cracker Jack!  
I don't care, I don't care, if I ever get back!  
Team:  
When the season's over,  
The play won't end  
Marilyn:  
Cuz a baseball diamond is a girl's best friend  
All:  
Yes her style and her fashion will elevate the national  
pastime
