Everybody's searching,
Everybody's looking for
Something to believe in,
Something more,
Well baby I know the pain
That you go through,
So let me be the arms that you can run to,
Far away from all the things that hurt you,
Yeah,

Whenever you hit the sky,
Feel like you live a lie,
And your world is a broken dream,
Don't lose your faith in love,
Baby I'll be enough,
When you don't have the strength in your eyes,
I'll be the one to cry.

You're my universe,
My atmosphere,
The reason i breathe in,
I breathe out,
Why I'm here,
I don't wanna see you sad,
I don't wanna see you blue,
So I would gladly go into the darkness,
Just to take the place of where your heart is.

(Chorus)

(Bridge):
Trust me,
I will keep you safe,
Baby,
I will show you the way, yeah
I will show you the way, yeah.

(Chorus 2X)

I'll be the one to cry,
I'll be the one to cry,
Yeah.
