Look at me baby, Tell me, tell me what you see (oh
woah)
wanna watch baby like a like a movie screen (oh woah)
gonna get what I want want you on your knees (oh
woah)
give it up baby, don't you, don't you make a scene (oh
woah)
so come and turn me on
Baby be my marlin brando
Take a good snapshot
Get me from my better angle
cause I like it hot
and you know i love the scandal
Tell me what you what you waiting for
Touch me (touch me)
I want to feel it on my body put your hands on me
Come on and love me
you want it get it boy
i give you till the count of three (three, two, one)
Hold me closer don't wanna take it slow
I want to go somewhere we can be alone
Touch me (touch me)
I want to feel it on my body put your hands on me
Do you like when I'm leaning leaning into you (oh woah)
close your eyes baby breath in breath in my perfume
(oh woah)
dim the lights take it slow like a dream come true (oh
woah)
cause tonight I'ma show you show you what to do (oh
woah)
so come and turn me on
Baby be my marlin brando
Take a good snapshot
Get me from my better angle
cause I like it hot
and you know i love the scandal
Tell me what you what you waiting for
Touch me (touch me)
I want to feel it on my body put your hands on me
Come on and love me you want it get it boy
i give you till the count of three (three, two, one)
Hold me closer don't wanna take it slow

I want to go somewhere we can be alone
Touch me (touch me)
I want to feel it on my body put your hands on me
Every move that i can make your watching me
put your hands around my waist
boy set me free
how much more that i can take
if you don't take it all
Touch me (touch me) I want to feel it on my body
Put your hands on me
Come on and love me you want it get it boy
i give you till the count of three (three, two, one)
Hold me closer don't wanna take it slow
I want to go somewhere we can be alone
Touch me (touch me)
I want to feel it on my body put your hands on me
