Love is a sentimental heart  
Life is a sentimental way  
Spy the fragile heart so cursed  
As he walks across this earth  
I'm disconnected by your smile  
Disconnect a million miles  
And what you promised me  
I hope will set you free  
I'm disconnected by your smile  
And all I gave to you is lost  
And all you took from me is lost  
Black wings carry me so high  
Up to meet you in the sky  
I'm disconnected by your smile  
Disconnect a million miles  
And what you promised me  
I hope will set you free  
I'm disconnected by your smile  
Wishing you were real to me  
Wishing I could make believe  
I'll take my secrets to the grave  
Safely held beneath the waves  
Always knew I couldn't save  
Always knew I couldn't save you
