Beautiful, you're beautiful  
As beautiful as the sun  
Wonderful, you're wonderful  
As wonderful as they come

And I can't help but feel attached  
To the feelings I can't even match  
With my face pressed up to the glass  
Wanting you

Beautiful, you're beautiful  
As beautiful as the sky  
Wonderful, it's wonderful  
To know that you're just like I

And I'm sure you know me well  
As I'm sure you don't  
But you just can't tell  
Who'll you love and who you won't  
No, who'll you love and who you won't

And I love you, as you love me  
So let the clouds roll by your face  
We'll let the world spin on to another place  
We'll climb the tallest tree above it all  
To look down on you and me and them

And I'm sure you know me well  
As I'm sure you don't  
But you just can't tell  
Who you'll love and who you won't  
No, who'll you love and who you won't  
No no, who'll you love and who you won't  
No no

Don't let your life wrap up around you  
Don't forget to call, whenever  
I'll be here just waiting for you  
I'll be under your stars forever  
Neither here nor there just right beside you  
I'll be under the stars forever  
Neither here nor there just right beside you
