Bye June  
I'm going to the moon  
It better be by June  
'Cause I'm going to the moon

So June  
You'd better make it soon  
I hope you make it June  
'Cause I'm going to the moon

Bye June  
Bye bye June  
Bye June  
Bye June

Bye June  
I'm going to the moon  
I hope you make it soon  
'Cause I'm waiting on this moon

Bye June  
I hope you make it too  
I'm wishing you're there too  
I hope you make it June

Bye bye June  
Bye June  
Bye bye June  
Bye June  
June June June  
Hope you make it to the moon
