ya gotta understand.
ya gotta understand.
it's just a fact that ya must attack.
gotta get it while you can.

well everyone's gonna be a big star.
everyone's gonna drive a fast car.
everyone's gonna be in charge.
'cause everybody's business is everybodys' business.
ya, we hope you understand.
ya, it's just a master plan.
ya, we're just coming down for you.

my baby's got three eyes.
my baby's got three eyes.
she hold her hands behind her back.
she's got a big suprise.

Well everyone's gonna be a big star.
Everyone's gonna drive a fast car.
Everyone's gonna be in charge.
'cause everybody's business is everybodys' business.

ya, we know you understand.
ya, it's just a master plan.
no, we're coming down for you.
ya, we'll party down.
ya, we're coming to your town.
ya, we're are an american band for you.

well everyone's gonna be a big star.
everyone's gonna drive a fast car.
everyone's gonna be in charge.
'cause everybody's business is everybodys' business.

well everyone's gonna be a big star.
everyone's gonna drive a fast car.
everyone's gonna be in charge.
'cause everybody's business is everybodys' business.

ya gotta understand.
ya gotta understand.

it's just a fact that ya must attack.
gotta get it while you can.

everybody's business is everybodys' business.
everybody's business is everybodys' business.
everybody's business is everybodys' business.
