Who am I to need you when I'm down?
Where are you
When I need you around?
Your life is not your own

And all I ask you
Is for another chance
Another way around you
To live by circumstance, once again

Who am I to need you now
To ask you why, to tell you no
To deserve your love and sympathy?
You were never meant to belong to me

And you may go
But I know you won't leave
Too many years built into memories
Your life is not your own

Who am I to need you now
To ask you why, to tell you no
To deserve your love and sympathy?
You were never meant to belong to me

Who am I to you?
Along the way
I lost my faith

And as you were, you'll be again
To mold like clay, to break like dirt
To tear me out in your sympathy
You were never meant to belong to me

You were never meant to belong to me
You were never meant to belong to me

Who am I?
Who am I?
Who am I?
