Whenever I run
Where ever I run to you lost one
It's never done
Just hanging on

The past has let me be
Returning as if a dream
Shattered as belief

If you have to go don't say goodbye
If you have to go don't you cry
If you have to go I will get by
Someday I'll follow you
And see you on the other side

But for the grace of love
I'd will the meaning of
Heaven from above

But for the grace of love
I'd will the meaning of
Heaven from above

Your picture out of time
Left aching in my mind
Shadows kept alive

If you have to go don't say goodbye
If you have to go don't you cry
If you have to go I will get by
I will follow you
And see you on the other side

But for the grace of love
I'd will the meaning of
Heaven from above

But for the grace of love
I'd will the meaning of
Heaven from above

Long horses we are born

Creatures more than torn
Mourning our way home
