shattering fast, i'm glass, i'm glass
i'm shattering fast, i'm glass, i'm glass
i'm shattering, shattering, glass, glass, glass
i'm shattering fast, i'm glass, i'm glass

got a lot of tears
in a blood-stained jar
been a real long time
since i walk the fine line

you set up the walls
you set up the walls
hold all my calls
i'll be by the pool

won't you please
talk to me
won't you love
what i love

all alone
in my soul
i betrayed
my rock and roll
my rock and roll
my rock and roll
my rock and roll
my rock and roll

Shattering fast, i'm glass, i'm glass
i'm shattering, shattering, glass, glass, glass

you set up the walls
hold all my calls
i'll be by the pool
playing with my guns
and there's nowhere to run
i'm the one you love now
staying after school
breaking all the rules

shattering fast

shattering fast
i'm shattering glass
shattering fast, oh
