I'm so alone, I'm so alone, I'm thinking  
I'm so alone, I can't get old  
I'm so alone, I'm so alone, I can't get it off of you

For you love yourself  
For you love yourself and no one else  
The bitter root of self  
Come on baby, no time for maybes  
One last trip to hell

Come on, come on, come on  
Can you feel it?  
Come on, come on, come on  
Can you feel it glowing you? Slowing you?  
Is it glowing you?

I'm so alone, I'm so alone, I'm sinking  
I'm so alone, I can't get lost for you

For you love yourself  
For you love yourself and no-one else  
The bitter root of self  
Come on baby, you drive me crazy  
One last trip to hell

Come on, come on, come on  
Can you feel it?  
Come on, come on, come on  
Can you feel it glowing you? Slowing you?  
Is it glowing you?

It's not strange  
That you're not sane, from you

It's not strange  
That I'm so strange  
Released

Come on, come on, come on  
Can you feel it?  
Come on, come on, come on  
Can you feel it?

Come on, come on, come on  
Can you feel it?  
Come on, come on, come on  
Can you feel it?

Come on, come on, come on  
Can you feel it?  
Come on, come on, come on  
Can you feel it?

Come on, come on, come on  
Can you feel it?  
Come on, come on, come on  
Can you feel it G.L.O.W?
