God knows I'm helpless to speak
On my own behalf
God is as helpless as me
Caught in the negatives

We all just do as we please
False transmissions
I hope God forgives me
For my transgressions

It's what you want
To know no consequences
It's what you need
To fuckin' bleed
It's all too much

God knows I'm helpless
God knows I'm helpless
God knows I'm helpless
God knows I'm helpless

God knows I'm restless and weak
Full of piss and vinegar
God knows we sow what we reap
In the dirt of grandeur

When the darkness
Comes to me
And it fixes it's gaze on me
And God knows I'm helpless

It's what you want
To know no consequences
It's what you need
To fucking bleed
It's all to much

God knows I'm helpless
God knows I'm helpless
God knows I'm helpless
God knows I'm helpless

You break your back
For what you can't have
You can't turn back

God knows I'm helpless
God knows I'm helpless
God knows I'm helpless
God knows I'm helpless

Helpless
Helpless
Helpless
