Faith lies in
The ways of sin
I chased the charmed
But I don't want them anymore

And in their eyes I was alive
A fool's disguise
Take me away from you

Shame my tongue
Fat with promise all along
But when I woke up from that sleep
I was happier than I'd ever been

When you decide
That your life is a prize
Renew and revive
It's alright honey
It's alright, yeah

Happiness will make you wonder

Will I feel OK?
It scares the disenchanted
Far away

Yeah I want something new
But what am I supposed to do about you
Yeah I love you, it's true

Life's a bummer
When you're a hummer
Life's a drag

Ask yourself a question
Anyone but me
I ain't free

Ask yourself a question
Anyone but me
I ain't free

Do you feel
Love is real?
