Radio

Play my favorite song

Radio, Radio

Radio, I'm alone

Radio, radio

Please don't go

Radio

I peer through curtains on empty streets

Behind a wall of caller I.D.

No one's out there to hear if I care

About the troubles in the air

As I of the mornin' now come

Pick up where my thoughts left off

'Cause I'm home to die on my own

As my radio

Plays my favorite song

Radio, radio

Radio, don't you know

Radio, radio

That radio

I'm alone

I blow the dust off my guitars

In the attic with the stars

I read your letters to feel better

My tears upon the fading ink

As I of the mornin' now gone

Pick up where my thoughts left off

'Cause I'm home to die on my own

As my radio

Plays my favorite song

Radio, radio

Radio, I'm alone

Radio, radio

Radio

Please don't go

I sit in the dark light  
To wait for ghost night  
To bring the past alive  
To make a toast to life  
'Cause I have survived

What is it you want?  
What is it you want to change?  
What is it you want?  
What is it you want to change?  
What is it you want to change?

Radio, radio, radio  
Radio, radio, radio  
Radio, radio, radio  
Radio, radio, radio

What is it you want?  
What is it you want to change?  
What is it you want?  
What is it you want to change?  
What is it you want to change?
