If there is a God  
I know he likes to rock  
He likes his loud guitars  
And his spiders from Mars

And if there is a God  
I know she's watching me  
She likes what she sees  
But there's trouble on the breeze

Who are you this time?  
Are you one of us flying blind?  
Because I'm down here throwing stones  
While you're so far from home

And if there is a God  
I know they're on TV  
There the spies with bedroom eyes  
Who cowers in our sky

Who are you this time?  
Are you one of us flying blind?  
Because I'm down here throwing stones  
While you're so far from home

And if there is a God  
If there is a God
