Hold silent
You were my violent snow
In my life
Just for the moment
And then the young die
So you can die
I was alive
I was alive
In my body
You'll never find me
You'll never pull me in
In my body
The lonely creatures
The lonely creatures scream

Junes of cast
Left tired in their bones sleep
Burned alive
Wasted sunsets
Haunted my tunnel light
Right through my clothes
I was alive
I was alive
In my body
You'll never find me
You'll never pull me in
In my body
The lonely creatures
The lonely creatures scream

I was alive
I was alive
In my body
You'll never find me
You'll never pull me in
In my body
The lonely creatures
The lonely creatures scream

In my body
In my body
In my body, you

In my body
In my body
In my body, you
In my body
In my body
In my body, you
