Welcome to nowhere fast
Nothing here ever lasts
Nothing but memories
Of what never was
We're nowhere ,We're nowhere,We're nowhere to be
Nowhere,We're nowhere,We're nowhere to see
Living makes me sick
So sick I wish I'd die
Down in the belly of the beast
I can't die
You're nowhere,You're nowhere,You're nowhere to be
Nowhere,You're nowhere,You're nowhere to see
There's nothing left to do
There's nothing left to do
Doesn't matter what you want,So
You make it so you'll never
Give in to your forever
And live for always
And forever,forever,You're forever to be
Forever,Forever,You're forever to me
