Life on telephones/Love on open roads  
Into great unknowns I stumble brightly  
Indigo/breathless yet  
I'll link to your regret  
Sunflowers as teachers pets/Bent from lightning  
I'll bet/I'll bend for you  
Shadows give your light to me  
Shadows give your light to me

In the ways the city pours itself out  
You can make this happen  
Beyond your doubt  
You can make this happen all right now

Eastern days I'm unafraid/cause love to me is such a  
game  
that I believe I can't embrace/the dreams of lovers  
Eastern days I'm unafraid/cause love to me is such a  
game  
that I believe I can't embrace/the dreams of lovers  
I'll bend for you  
Shadows give your light to me  
Shadows give your light to me

In the ways the city pours itself out  
You can make this happen  
Beyond your doubt  
You can make this happen all right now

Zen baby/lightning strikes  
the same heart/but never twice  
Zen baby/we've got to fight  
what's real and what becomes the night

In the ways the city pours itself out  
You can make this happen  
Beyond your doubt  
You can make this happen all right now  
You can make this happen  
You can make this happen all right now
