Fool enough to almost be it  
Cool enough to not quite see it  
Doomed  
Pick your pockets full of sorrow  
And run away with me tomorrow  
June

We'll try and ease the pain  
But somehow we'll feel the same  
Well, no one knows  
Where our secrets go

I send a heart to all my dearies  
When your life is so, so dreary  
Dream  
I'm rumored to the straight and narrow  
While the harlots of my perils  
Scream

And I fail  
But when I can, I will  
Try to understand  
That when I can, I will

Mother weep the years I'm missing  
All our time can't be given

Back  
Shut my mouth and strike the demons  
That cursed you and your reasons  
Out of hand and out of season  
Out of love and out of feeling  
So bad

When I can, I will  
Words defy the plan  
When I can, I will

Fool enough to almost be it  
And cool enough to not quite see it  
And old enough to always feel this  
Always old, I'll always feel this

No more promise no more sorrow  
No longer will I follow  
Can anybody hear me  
I just want to be me  
When I can, I will  
Try to understand  
That when I can, I will
