You're an empty promise
You're an easy chair
You're the gods forces struck down somewhere

You're a secret noticed
You're a mystery sky
You're a wish floated up to the night

Medellia of my eyes
You're the emptiness of I
You're the reason that I write

And if you say you will
I will love you still
And if I could
I'd throw away this world
I'd dress you all in pearls
I'd give you what you wanted

You're all I notice
In a crowded room
You're vacant motives
Unmoved, revealed

Medellia of my eyes
You're the emptiness of I
You're the reason that I drive

And if you say you will
I will love you still
And if I just
Could be anything for you
Just anyone at all
Anything that mattered
Washed out

You're the silly reasons
In a goldfish laugh
You're the ageless season
At rest
At last
