I hear your winter  
And I hear your rain  
And I've failed your summer ways  
And I feel no pain

I hear what you want  
And I feel that way  
I hear what you want  
And I feel that way

I hear you fade away  
And I hear you crawl  
And I gave my life away  
And I feel no pain

And I feel no pain  
And I feel your pain

She's my lover, sweet  
She's my angel  
What I've recovered of me  
I put into a box underneath my bed

When you lie in your bed  
And you lie to yourself  
When you lie in your bed  
And you lie to yourself  
Lie, lie, lie, lie

Bang, bang, you're dead  
Hole in your head  
Bang, bang, you're dead  
Hole in your head

Bang, bang, you're dead  
Hole in your head  
Bang, bang, you're dead  
Hole in your head

Somewhere over the rainbow  
Way up high  
Birds fly over the rainbow

Why, oh why can't I?

I hear what you want  
And I feel that way  
I hear what you want  
And I feel that way
