Visit "[Stitch in Time](#)" on [MotoLyrics.com](http://MotoLyrics.com)

It's just a stitch in time  
It's perfect, I don't mind  
Sailing on your endless sea

You're perfect, I don't mind  
I've got your stitch in mine  
Everywhere I wanna be

Don't say you want too much  
They'll say you've had enough  
Don't let them lay their trips on you

There's somewhere I just gotta be  
There's somewhere I just gotta be

You're everywhere at once and you can't break free  
You're everywhere at once and you can't break free  
You're everywhere at once and you can't catch me,  
watch out

There's somewhere I just gotta be

It's just a stitch in time  
We fit together fine  
A puzzle looking for its piece

You're perfect, I don't mind  
Your travel makes you mine  
Everywhere I look I see

Don't say you want too much  
They'll say you've had enough  
Don't let them lay their trips on you

There's somewhere I just gotta be  
There's somewhere I just gotta be

You're everywhere at once and you can't break free  
You're everywhere at once and you can't break free  
You're everywhere at once and you can't catch me,  
watch out

There's somewhere I just gotta be  
There's somewhere I just gotta be  
There's somewhere I just gotta be  
There's somewhere I just gotta be
