I really love you, and I mean you
The star above you, crystal blue
Well oh baby, my hair's on end about you

I wouldn't see you, and I love to
I fly above you, yes I do
Well oh baby, my hair's on end about you

Floating, bumping, noses dodge a tooth
The fins a luminous
Fangs all 'round the clown is dark
Below the boulders hiding all the sunlight's good for us

'Cause we're the fishes, and all we do
And move around is all we do
Well oh baby, my hair's on end about you

I really love you, and I mean you
The star above you, crystal blue
Well oh baby, my hair's on end about you
Well oh baby, my hair's on end about you
